Thornton High School Attendance Policy During Distance Learning

Synchronous learning refers to learning taking place together at the same time like a Zoom class.

Asynchronous learning refers to learning that happens independently on your own. During asynchronous learning, you are not required to be present in a Zoom class but are still responsible for completing your school work.

- Daily attendance is required (Synchronous in Zoom class or Asynchronous with out of class work)
- Synchronous learning = 2 days per week (Monday/Thursday or Tuesday/Friday)
- Asynchronous learning = 3 days per week (Monday/Thursday or Tuesday/Friday AND Wednesday)
- If absent, parent/guardian must call school at 650-550-7840 or student will be marked as unexcused
