# Happy New Year to all!

We want to wish you and your family a Happy New Year! 2020 is going to be another great year here at Thornton High School! We asked some of the students what they are looking forward to this year and many students agreed that they were either looking forward to getting a job, graduating high school, and earning credits! Yay! Let's do it! And remember, let us know if you need help achieving these goals.

## SLC Has Been Busy This Quarter:

### Thanks SLC for all the fun school festivities!

Thornton's Student Leadership Class (SLC) has been busy at work creating fun activities for our students to participate and engage in school pride! And celebrate the holiday season.

To start the season off right, we had a Halloween celebration that consisted of a costume contest and a homeroom pumpkin decorating contest. Congrats to Mr. Vu's homeroom class who won the pumpkin contest with their Nightmare Before Christmas themed pumpkin. For winning they received a Wing Stop party!! Woohoo!

Then to celebrate Thanksgiving SLC had a pie-eating contest, pumpkin pie with whipped cream to be exact. Our winner was Josh Trayer, who ate six deliciously big pieces of pie! Way to go Josh!!

Next there was a holiday homeroom competition. For the competition, each homeroom class worked collaboratively to decorate a gingerbread house and our office staff was designated to choose the winning house. And we would like to announce that Mr. Davidson's homeroom class was the winner and will be receiving a Wing Stop party!! Yay!

To end the quarter and continue celebrating the holidays SLC threw a BBQ for students and staff. It was a great way to end the quarter and bring in the end of the year. Thanks to our awesome SLC students and teacher for making these events and activities happen.

Looking forward to seeing what Quarter 3 will bring.

## Welcome to Ms. Maghanoy!

We would like to formally welcome Ms. Lecar Maghanoy, our new science teacher. Ms. Maghanoy arrived in Daly City from the Philippines in November and we are all super excited to have her as part of our team.

Ms. Maghanoy is from Cebu, Philippines and shares that Cebu is known as the “The Queen City of the South.” Ms. Maghanoy grew to love science at the early age of 7. She shared that teaching and science runs in her blood, as her grandfather was a Biology teacher. Ms. Maghanoy is super excited to be here and teach her students about science, especially focusing on Human Development. Ms. Maghanoy is also looking forward to assisting students in becoming successful in their many various endeavors and hopes to make an impact in their learning and life.

Ms. Maghanoy loves playing sports, especially volleyball. She enjoys interacting with others and making friends and memories. She describes herself as honest, loyal, and committed. She prides herself on being a great, supportive friend. Ms. Maghanoy is really happy to be here and feels that meeting the students, teachers, staff, parents, and guardians has revitalized her.

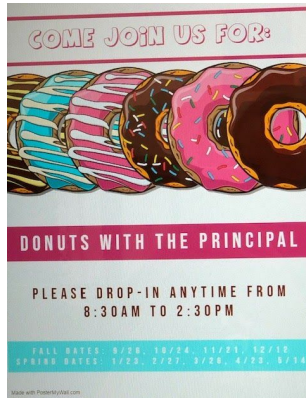

Welcome Ms. Maghanoy, we are excited to have you as part of our Thornton family!

## Check out Thornton’s Website

We would like to remind you to take a look and utilize our website as it has been updated with various resources for both parents and students. These resources include: jobs for students, resources in the community (hotlines, counseling services, LGBTQ services, relationship abuse services, and social/emotional services). If you need to access our calendar or contact any of our teachers or staff you can check out our website. Or if your student is looking for a job, a job listing is posted monthly on the website with local businesses that are currently hiring. Or if you would like to learn more about our school policies, you can find these on the website as well.

## Reminder: Monthly Food Pantry at our Sister School, Jefferson:

Thornton High School believes that our students, families, and community should have access to healthy foods. Jefferson High School partners with Second Harvest Food Bank and hosts a monthly food distribution at Jefferson High! As a reminder, the food distribution occurs the first Saturday of each month at 10am (unless otherwise noted) to 1130am. There will be a variety of foods, including: fresh fruits and vegetables, milk, eggs, meat, brown rice, canned food items, and other items. Please bring your own bags so they can fill them up for you!

We are so excited to be able to provide food to our community. We cannot wait to see you at the food distribution! **Next food distribution will be at Jefferson High School on March 7th from 10-11:30am!!**
