"It is not about you, it is about them."

In This No Cost Hands On 2 Hour Workshop You Will Learn 5 Key Strategies:

- Why every idea starts with understanding the first component of marketing
- How research unveils important economic insight into your idea
- How understanding the target market for your idea will help you determine viability
- Why insight into your competition will help you stand out from the crowd
- How early planning will save you money and headaches in the future

Reasonable accommodations for persons with disabilities will be made if requested at least two weeks in advance.
