Currently, the Summit Shasta Charter High School (grades 9 – 12) is temporarily housed in portables in the main portion of the closed Serramonte High School campus. The new Summit campus would be located on Campus Drive, south of the main closed campus on former baseball field and would consist of student classrooms, a gym, administrative offices, outdoor areas for student use, walkways and parking. The current student body is 300 students and the proposed Summit Shasta High School would serve approximately 400 students.
