

CCGI Parent Night

A-G eligibility? Post-secondary pathways? What does this all mean? If you are interested in learning about a tool that simplifies college and career planning for your teen, please join JUHSD and Oceana's PTO on **Thursday, May 16th from 6:00pm-7:00pm in the Library at Oceana High School.** We will be discussing the uses and benefits of CaliforniaColleges.edu.

Through Jefferson Union High School District's partnership with CCGI, all JUHSD students have access to the many benefits of CaliforniaColleges.edu. www.CaliforniaColleges.edu is a college and career planning tool that is now free to all of our students, parents, and educators. The site allows students to create personalized academic, college, and career plans. Additionally, it offers career assessments for students, student-friendly college and career search tools, quick college application launches, information on scholarships, financial aid, and so much more!

PLEASE RSVP BY MAY 10TH AT: <https://forms.gle/xUubmi9iWpgwcS7D9> IF YOU WISH TO ATTEND THIS EVENT.
