Public Report on Developer Fees Government Code Sections 66001(d) and 66006(b)

School districts which collect developer fees must comply with certain reporting requirements under legislation mandated by AB 1600 in 1989. Government Code Section 66001(d) requires districts to identify any portion of developer fees that have remained unexpended or uncommitted for a period of five years and report to the Governing Board the manner in which developer fees have been utilized. Government Code Section 66006(b) requires districts to provide financial information including beginning balances and ending balances within 180 days of the end of each fiscal year.

Developer fees are to be used to mitigate the impact on our facilities brought about by home additions (thereby potentially increasing the occupant capacity of the home) and new home/commercial construction. Based the Board Resolution adopted in August of 2020, a fee of \$4.08 per square foot for residential and \$0.66 per square foot for commercial was charged in 2020-21 to mitigate the above mentioned development-specific impact. The collected fees are split with the local elementary district as follows:

Project Location	Residential			Commercial		
	Fee	Elementary Share	High School Share	Fee	Elementary Share	High School Share
Bayshore Elementary	\$4.08	\$2.448	\$1.632	\$0.66	0.396	0.264
Brisbane Elementary	\$4.08	\$2.016	\$2.064	\$0.66	0.324	0.336
Jefferson Elementary	\$4.08	\$2.448	\$1.632	\$0.66	0.396	0.264
Pacifica Elementary	\$4.08	\$2.448	\$1.632	\$0.66	0.396	0.264

The 2020-21 Capital Facilities Fund Unaudited Actuals were the source documents used to compile the required reports. As of July 2020, the beginning balance for the Capital Facilities Fund was \$3,554,637.79. During 2020-21, the district collected \$587,677.86 in developer fees and \$47,417.25 in interest income. During 2020-21, the District had expenditures of \$17,859.24 in consultant fees and \$0.00 charged for indirect costs. The ending balance as of June 30, 2021 was \$4,171,873.66.
