

JUHSD Classified Employee Pathway to a Credential

Credential Pathway 1: Alder/SMCOE Teacher Residency

The San Mateo County Office of Education and Alder Graduate School of Education have partnered to offer a Teacher Residency Program for classified employees who hold a BA/BS and are interested in pursuing a credential. Candidates earn a credential and MA in one year. Courses are held on Fridays and candidates student teach in a residency model Mondays through Thursdays. Candidates receive a living stipend. More information is available [here](#). To apply, contact Carmen French at cfrench@smcoe.org today!

Credential Pathway 2: NDNU North County Collaborative

Notre Dame de Namur University is pleased to offer a North County Collaborative for classified employees who hold a BA/BS and are interested in pursuing a credential. Classes held online and at JESD and JUHSD campuses in the evenings to accommodate employee work schedules. A wide variety of credential pathways are available. More information is available [here](#). To get started, apply [here](#) today! Application fees are waived for JUHSD employees. In addition, JUHSD employees do not need to submit letters of recommendation (simply note that you were referred by Daina Lujan and Dorene Basuino).

Bachelor's Degree: Reach University

Reach University supports interested classified employees with earning a Bachelor's Degree at an affordable cost of \$75/month. Reach University has a four year pathway for classified employees who have never attended college as well as two year and three year pathways for classified employees who have some college or an AA degree. Classes are held online in the evenings to accommodate employee work schedules. More information is available [here](#). To get started, apply [here](#) today!
