

JEFFERSON UNION HIGH SCHOOL DISTRICT

Unit Submission Frequently Asked Questions

JUHSD employees have the ability to earn Units and/or Continuing Education Units for salary advancement. There are two primary pathways to earn units: Traditional and Alternative.

Traditional Pathway

The Traditional Pathway to earn units is to take in person or online courses at an accredited institution that has the ability to produce an official transcript upon completion of the coursework.

Alternative Pathway

The most common alternative pathway to earn CEU or hours is to attend a workshop or professional learning opportunity and pay for the units.

1. This pathway will generate a certificate indicating CEUs or hours earned. If the District pays for the professional learning opportunity, the District is unable to utilize the CEUs or hours earned for salary advancement.
2. The district will accept up to 15 CEUs (equivalent to 10 semester units).

Certificated v. BISS Unit Advancement

Classified and Certificated Employees are eligible to submit units toward salary advancement. However, there are contract differences between the two units.

Certificated Employees

Certificated employees may take additional post BA courses toward salary advancement. Upon completion of coursework, a transcript must be submitted to HR for review. For post BA coursework, any subject of study is allowed, provided a transcript can be produced.

Certificated employees may also attend workshops generally related to their position toward salary advancement. If the district pays for the workshop, attendance at the workshop cannot be used toward salary advancement unless the employee pays for CEUs. A certificate of completion or transcript should be submitted to HR for review.

- In addition, classroom paraprofessionals may earn an additional \$1.00/unit for up to an additional \$100/month compensation beginning with the 26th unit earned.

Types of Units Accepted

JUHSD accepts Semester and Quarter Units from Accredited Institutions. JUHSD also accepts up to 15 Continuing Education Units or CUEs (10 semester units).

One CEU is equivalent to $\frac{2}{3}$ of a semester unit. 10 hours is the equivalent of one CEU or quarter unit. The chart below provides an equivalency chart for reference.

Semester Unit	Quarter Unit	CEU*	Hours
1	.67 of a semester unit	.67 of a semester unit	15

*The district will accept up to 15 CEUs (equivalent to 10 semester units).
