Commencing grade 7, school personnel shall assist pupils with course selection or career counseling, exploring the possibility of careers, or courses leading to careers based on the interest and ability of the pupil and not on the pupil's gender. Parents or legal guardians are notified so that they may participate in such counseling sessions and decisions.

I approve of the following course selections and I understand they are binding to the entire school year. I also understand if one of the selections is not available, a similar course will be substituted.
