

**Fiber Arts**  
March 17-April 3

I know that some of you have supplies at home and some of you do not. If you are interested in acquiring yarn and crochet hooks from me, please email me to arrange a time that we can meet at school.

If this is not possible, please peruse the resources available to mentally prepare how you might interact with the materials.

All other materials and assignments will be on Google classroom.

Date	Activity
03/19	Peruse information about the AIDS Names Quilt, starting <a href="#">here</a> . Write three sentences describing how fiber arts and global pandemics might interact, given this example.
