Dear Senior and Family,

Thank you for your patience. Senior Exhibition Day is not canceled but is rescheduled for a later date depending on when we return to school. Currently, Oceana has the following plans:

1. If we return on Monday, April 13th:
  - a. Seniors will practice with their mentors after school on Wednesday, April 15th.
  - b. Senior Exhibition Day will be held Friday, April 24th.
  
2. If we return on Monday, April 20th:
  - a. Seniors will practice with their mentors after school on Wednesday, April 22nd.
  - b. Senior Exhibition Day will be held Friday, May 1st.

As the situation changes, we will communicate appropriate and necessary changes to Senior Exhibition. Students should continue working on their presentations; their Humanities teachers will email them additional guidance for their project.

If you have questions or concerns, please feel free to reach out to your mentor or Humanities teacher.

Sincerely,

Senior Exhibition Committee
