# JEFFERSON UNION HIGH SCHOOL DISTRICT

## EMPLOYEE ACCEPTABLE USE AGREEMENT AND RELEASE OF DISTRICT FROM LIABILITY

The Jefferson Union School District authorizes district employees to use technology owned or otherwise provided by the district as necessary to fulfill the requirements of their position. The use of district technology is a privilege permitted at the district's discretion and is subject to the conditions and restrictions set forth in applicable Board policies, administrative regulations, and this Acceptable Use Agreement. The district reserves the right to suspend access at any time, without notice, for any reason.

The district expects all employees to use technology responsibly in order to avoid potential problems and liability. The district may place reasonable restrictions on the sites, material, and/or information that employees may access through the system.

The district makes no guarantee that the functions or services provided by or through the district will be without defect. In addition, the district is not responsible for financial obligations arising from unauthorized use of the system.

Each employee who is authorized to use district technology shall sign this Acceptable Use Agreement as an indication that he/she has read and understands the agreement.

### Definitions

District technology includes, but is not limited to, computers, the district's computer network including servers and wireless computer networking technology (wi-fi), the Internet, email, USB drives, wireless access points (routers), tablet computers, smartphones and smart devices, telephones, cellular telephones, personal digital assistants, pagers, MP3 players, wearable technology, any wireless communication device including emergency radios, and/or future technological innovations, whether accessed on or off site or through district-owned or personally owned equipment or devices.

### Employee Obligations and Responsibilities

Employees are expected to use district technology safely, responsibly, and primarily for work-related purposes. Any incidental personal use of district technology shall not interfere with district business and operations, the work and productivity of any district employee, or the safety and security of district technology. The district is not responsible for any loss or damage incurred by an employee as a result of his/her personal use of district technology.

The employee in whose name district technology is issued is responsible for its proper use at all times. Employees shall not share their assigned online services account information, passwords, or other information used for identification and authorization purposes, and shall use the system only under the account to which they have been assigned. Employees shall not gain unauthorized access to the files or equipment of others, access electronic resources by using another person's name or electronic identification, or send anonymous electronic communications. Furthermore, employees shall not attempt to access any data, documents, emails, or programs in the district's system for which they do not have authorization.

Employees are prohibited from using district technology for improper purposes, including, but not limited to, use of district technology to:

1. Access, post, display, or otherwise use material that is discriminatory, defamatory, obscene, sexually explicit, harassing, intimidating, threatening, or disruptive
2. Disclose or in any way cause to be disclosed confidential or sensitive district, employee, or student information without prior authorization from a supervisor
3. Engage in personal commercial or other for-profit activities without permission of the Superintendent or designee
4. Engage in unlawful use of district technology for political lobbying
5. Infringe on copyright, license, trademark, patent, or other intellectual property rights
6. Intentionally disrupt or harm district technology or other district operations (such as destroying district equipment, placing a virus on district computers, adding or removing a computer program without permission, changing settings on shared computers)
7. Install unauthorized software
8. Engage in or promote unethical practices or violate any law or Board policy, administrative regulation, or district practice

## Privacy

Since the use of district technology is intended for use in conducting district business, no employee should have any expectation of privacy in any use of district technology.

The district reserves the right to monitor and record all use of district technology, including, but not limited to, access to the Internet or social media, communications sent or received from district technology, or other uses within the jurisdiction of the district. Such monitoring/recording may occur at any time without prior notice for any legal purposes

including, but not limited to, record retention and distribution and/or investigation of improper, illegal, or prohibited activity. Employees should be aware that, in most instances, their use of district technology (such as web searches or emails) cannot be erased or deleted.

All passwords created for or used on any district technology are the sole property of the district. The creation or use of a password by an employee on district technology does not create a reasonable expectation of privacy.

### Personally Owned Devices

If an employee uses a personally owned device to access district technology or conduct district business, he/she shall abide by all applicable Board policies, administrative regulations, and this Acceptable Use Agreement. Any such use of a personally owned device may subject the contents of the device and any communications sent or received on the device to disclosure pursuant to a lawful subpoena or public records request.

### Records

Any electronically stored information generated or received by an employee which constitutes a district or student record shall be classified, retained, and destroyed in accordance with BP/AR 3580 - District Records, BP/AR 5125 - Student Records, or other applicable policies and regulations addressing the retention of district or student records.

### Reporting

If an employee becomes aware of any security problem (such as any compromise of the confidentiality of any login or account information) or misuse of district technology, he/she shall immediately report such information to the Superintendent or designee.

### Consequences for Violation

Violations of the law, Board policy, or this Acceptable Use Agreement may result in revocation of an employee's access to district technology and/or discipline, up to and including termination. In addition, violations of the law, Board policy, or this agreement may be reported to law enforcement agencies as appropriate.

**Employee Acknowledgment**

By my signature below, I acknowledge that I have been provided an electronic device for conducting District business and that I am the authorized possessor of the device (1) only in my official capacity as a District employee and not in any capacity personal to me; and (2) only for the period of time that the District has provided me the device. I understand that the District may demand the return of the electronic device, and that refusal to return the device immediately upon demand may subject me to disciplinary action up to and including termination of employment. I further acknowledge that improper use of the electronic device, including use of the device to encrypt, delete, corrupt or destroy any information stored on it after having been given an employer directive to return the device to the District, may also subject me to disciplinary action up to and including termination of employment. I further acknowledge that refusal to cooperate with employer directives to safeguard or retrieve information on the electronic device may subject me to disciplinary action up to and including termination of employment. I expressly consent to the District accessing electronic device information by means of physical interaction or electronic communication with the electronic device at any time. I agree to request, demand and compel the production of or access to electronic communication information from a service provider, or compel the production of or access to electronic device information from any person or entity upon the direction of my employer, and understand that refusal to do so may subject me to disciplinary action up to and including termination from employment.

I hereby release the district and its personnel from any and all claims and damages arising from my use of district technology or from the failure of any technology protection measures employed by the district.
