

ASSOCIATED STUDENT BODY CLUB BYLAWS

CLUB NAME: _____

- I. Clubs must submit a club constitution and budget plan before the deadline set forth by the school student body and administration. Classes need only submit a budget plan annually as they do not have a constitution.
- II. Clubs/Classes must hold official meetings at least once a month if funds exist in the ASB account for that club/class. Failure to meet for any two months over the course of the school year will result in termination of the club.
- III. Clubs must meet on the days set forth in their club constitution (e.g., every second Tuesday of the month) except in the event of another school or club event.
- IV. All club/class meetings must be held on campus.
- V. Clubs/Classes must take minutes at all meetings, have them approved, and submit a copy of the minutes to the student body class. Failure to submit minutes regularly may lead to termination of the club.
- VI. Each club must have a minimum of 12 active members, excluding officers. Two-thirds of the membership must be present at 51% of all meetings. Attendance must be recorded at official meetings as a part of the club minutes. Clubs will have up to one semester each school year to reach the minimum number of active members.
- VII. Club/Class officers and members must be full-time students at the school.
- VIII. A Club/Class adviser must be a certificated staff member in the district. A club adviser must be present at all club meetings, club events, and club fundraisers. If the adviser cannot be present, another certificated staff member can be designated as a substitute.
- VIX. The only four positions considered club officers are club president, club vice president, club secretary, and club treasurer. All other titled positions in a club are considered leadership positions, not officer positions. There may be as many or as few leadership positions as the club sees fit. (Classes will have one additional officer, class parliamentarian)
- X. **When a club holds an election, the following must occur:**
 - A. Each active club member is allowed no more than one vote for any election.
 - B. The process of the election must be clearly established and outlined in the club constitution. This must include, but is not limited to, what percentage is needed to win/pass and what happens in the event of a tie.
 - C. If a position has an eligibility requirement, these requirements must be clearly defined in the club constitution. The selection committee may include club members but must include the club adviser. The committee must be impartial when choosing candidates for a position and abide by the criteria set forth in their constitution.
- XII. Whenever a club elects or appoints a new officer or leadership position, the results must be documented in the club minutes of that month.

XIII. Clubs/Classes/Teams must follow all ASB procedures for events, fundraisers, and activities. Violation of this will result in temporary club suspension and or forfeiture of any funds from events or fundraisers.

XIV. Two violations of any of the club bylaws will result in the termination of the club for the remainder of the school year (this means violations of any two bylaws or of the same bylaw twice).
