Agenda Item	Meeting Notes/Minutes														
<b>Review 18-19 Site Council Allocations</b>	<ul style="list-style-type: none"> <li>• Ms. Carey presented update on 18-19 allocations, including money still unallocated which totals approximately \$7900.</li> <li>• Ms. Carey stressed that this includes money for PD, not supported by DO</li> <li>• Group reviewed 3 approved proposals from earlier this year &amp; discussed ways to gauge effectiveness &amp; what data to request</li> <li>• Ms. Carey spoke how new SPSA reporting process requires sites to provide data to show funds are being used effectively</li> </ul>														

<p><b>Current Site Council Proposals</b></p>	<ul style="list-style-type: none"> <li>• Group discussed possibility of requesting additional data to determine effectiveness of each current proposal</li> <li>• <u>Library</u> - random sample of number of students at any given time over the course of a month</li> <li>• <u>Career Center</u> - google classrooms, direct service opportunities, student survey</li> <li>• <u>Math Tutoring</u> - the group discussed the lack of data over the span of at least 3 year to show that funding after school tutoring is helping achieve it's stated goals to increase math achievement (test &amp; grades). <ul style="list-style-type: none"> <li>• Ms. Carey will follow up with Mr. Napoli and Mr. Walker with possibility of it not being funding, in its current form, next year. Suggestions included ways to incentivize the tutoring through retakes, targeting support to specific levels or skills.</li> </ul> </li> </ul>
<p><b>New Site Council Proposal</b></p>	<ul style="list-style-type: none"> <li>• Ms. Kesterson &amp; Ms. Carey both recommended that Site Council allocate funds to purchase chromebooks, designated only for SPED Department use.</li> <li>• Need is for more access in SPED classes especially during Study Skills/Tutorial where lack of computer is hindering a student's progress on classwork, projects and APEX.</li> <li>• The group agreed to fund this proposal.</li> </ul>
<p><b>School Goals &amp; 19-20 Allocations</b></p>	<ul style="list-style-type: none"> <li>• Ms. Carey presented Terra Nova's projected Site Council allocations for next year (\$31,500.) which is \$8,000 less than the current year</li> <li>• Group discussed how to maximize our resources and needs</li> <li>• Suggestion was to bring TNEF into the discussion to possibly help fund an after school homework center - staffed by TN teachers and/or outside support.</li> </ul>

	<ul style="list-style-type: none"><li>• Ms. Carey will reach out to TNEF President and discuss including this endeavor as TNEF is starting a new marketing/ fundraising campaign</li></ul>
