Agenda Item	Meeting Notes/Minutes
--------------------	------------------------------

Review site council proposals

Group discussed 3 SSC proposals: library, math tutoring & college/career center

Concerns shared regarding math tutoring - lack of data to show its effective in raising achievement & incentives to attend (retakes, skills)

Questions raised about how to track library attendance

ALL 3 proposals were approved by SSC

SSC has asked for Megan & SSC Rep. to meet with Math Department to share concerns with data,

	effectiveness & future proposals
