SCHOOLS WITH SITE-BASED MANAGEMENT

A school using the Academic Council and site-based management may be exempt from the district payment formulas for stipended positions and be free to allocate these funds to best meet the particular needs of the school, however they will receive the funds for the school that would normally be allocated for the activities present at the school. The amount of funds allocated to site-based management schools will be equal to what the school would receive under a traditional structure.

Ratified: 11/8/22
Board Approved: 11/15/22
