ARTICLE I. AGREEMENT

A. This Agreement is made and entered into this July 1, 2007, between the Board of Trustees of the Jefferson Union High School District (herein after referred to as "District"), and Local 856, International Brotherhood of Teamsters (hereinafter referred to as the "Union").

B. This Agreement shall become effective upon ratification and continue until June 30, 2010. This Agreement shall continue in effect year by year unless one of the parties notifies the other in writing no later than April 15 of its request to modify, amend or terminate this Agreement.

ARTICLE II. RECOGNITION

A. The District hereby recognizes the union as the exclusive representative for the food service employees included in the unit for bargaining as set forth in the paragraph below. The term "employee" when used herein shall refer to employees included in this bargaining unit.

B. The appropriate bargaining unit covered by this agreement shall include the following food service employees:

Cafeteria Assistant (Helper)
Cafeteria Assistant (Baker/Cook)
Cafeteria Cashier
Cafeteria Helper (Part-time)
Cafeteria Manager

The District agrees to revise job descriptions for all positions by October 31, 2008. The revisions shall include an on-site job analysis by the Associate Supt. – Business and/or the Deputy Supt- Retired. JUHSD agrees to consider adjusting the

Food Service Manager's salary beginning in 2008-09 based upon comparative total compensation and duties with other Revenue Limit Districts in the Bay Area.

C. This unit excludes any other classified personnel employed by the District and all supervisory personnel.

ARTICLE III. UNION SECURITY

A. Any bargaining unit member who is not a union member and who does not make application for membership within thirty (30) calendar days from the date of first day of paid service under this contract shall pay to the union a service charge as a contribution toward the administration of this agreement in an amount equal to the regular monthly dues. This provision shall not be a condition of employment. Enforcement of this provision shall be the obligation of the union.

If a bargaining unit member has a bona fide religious objection to payment of a service fee, he/she shall contribute an amount equal to the service charge to a recognized charity. "Recognized charity" is one approved by the I.R.S.

B. The District agrees to deduct the union membership dues and the agency shop service charges from the pay of every bargaining unit member who has executed a voluntary written authorization for this deduction. Such authorization shall continue in effect unless revoked in writing. The amount to be deducted shall be certified to the District by the treasurer of the union, and the aggregate deductions of all workers shall be remitted promptly to the union, together with a written statement of the names, social security numbers, and hourly pay rates of the workers for whom such deductions were made. The statement of names shall be coded in a mutually agreed upon manner to indicate new hires, leave status and terminations.

C. SENIORITY

1. A worker shall not attain seniority until he/she has completed a probationary period of 6 months in the employ of the employer, after which the time of his/her seniority shall be from the date of hire.
2. A worker's seniority is defined as his/her hours in paid status excluding overtime and substitute time with the employer from his/her date of most recent hiring. It shall be applied as follows:
 - a. In the event that the employer deems it necessary to reduce the working force, the last worker hired within the classification so reduced shall be the first worker laid off; and in rehiring, the last worker laid off shall be the first to be rehired.
 - b. Workers laid off who are willing, competent and qualified to perform duties within another job classification which they have previously held, may transfer to that classification if occupied by a less senior worker.
 - c. The re-employment of laid off workers shall take precedence over any other type of employment. In addition, such persons laid off have the right to participate in

promotional examinations within the District during the thirty-nine (39) months immediately following such layoff.

3. In the event that there is more than one qualified applicant for a job or position, seniority shall prevail. This provision shall apply to workers who have successfully completed the six (6) month probationary period.
 - a. Workers bidding into jobs in a higher classification shall be placed on the step of the range for the higher classification that insures at least a five percent (5) salary increase but in no event shall the employer be required to exceed the highest step in the range.
 - b. Workers bidding into positions in the same salary range or a lower salary range shall retain the same salary step. Their salary review date for future step increases shall remain the same in the new position as it was in the previous position.
 - c. All covered job vacancies shall be posted for at least five (5) working days at each work location prior to being permanently filled.
 - d. Any work that becomes available in excess on one (1) week because of an employee's absence shall be offered to existing site employees on a seniority basis who rank below the absent employee, provided the subbing employee is capable of doing the job.
 - e. Summer school employment shall be filled in a manner consistent with other classified seasonal employment.
 - Positions created for summer school shall be posted by April 1. All unit members shall also be notified by District email on April 1.
 - The normal contractual timelines for filling open positions shall be followed.
 - A two year cycle will be established. Following the first two-year cycle, individuals serving in the seasonal positions for two years will rotate to the bottom of the list of applicants for the next four years with respect to consideration for seasonal assignment.
 - If there is more than one equally eligible candidate for a position, the candidate with seniority in the District will have preference.

1. If an employee is absent on paid sick leave and a holiday occurs during such absence, he/she shall be paid the holiday pay, and the day shall not be charged against his/her sick leave.
2. The District agrees to provide each worker with an annual statement of all accumulated sick leave.
3. Workers shall continue to accrue sick leave at the normal rate as long as they are on any type of paid leave.
4. If a worker does not take the full amount of leave allowed in any year under this section, the amount not taken shall be accumulated from year to year. In order to be eligible for paid sick leave, a worker must follow the procedures established by the board

to notify his/her immediate supervisor that he/she will be absent prior to the start of the work shift and the worker shall state the nature of the illness or injury and the anticipated duration of the illness/injury.

6. A maximum of six (6) days of absence pursuant to the sick leave provisions of the agreement may be used by the worker at his/her request in case of personal necessity, including any of the following:

2. Payment for wages lost on any day shall not, when added to a temporary disability award granted the worker under the worker's compensation laws of this state, exceed the normal wage for the day.

3. The industrial accident or illness leave is to be used prior to using normal sick leave. When entitlement to industrial accident or illness leave under this section has been exhausted, entitlement to other sick leave, vacation or other paid leave may then be used. If, however, a worker is still receiving temporary disability payments under the worker's compensation laws of this state at the time of the exhaustion of leave under this section, he/she shall be entitled to use only so much of his/her accumulated and available normal sick leave, vacation or other paid leave, which, when added to the worker's compensation award, proves for a day's pay at the regular rate of pay. D. BREAK IN SERVICE

1. Periods of paid leave of absence shall not be considered a break in service. A worker on any paid leave status shall continue to earn seniority. In addition, whenever a worker is on any kind of paid leave, he/she shall be entitled to all of the benefits provided by this agreement.

2. When all available leaves of absence, paid or unpaid, have been exhausted, and if the worker is not medically able to assume the duties of his/her position, the worker shall, if not placed in another position, be placed on a re-employment list for a period of thirty-nine (39) months. The District may require a physical examination, at District expense, prior to a worker returning to work.

E. BEREAVEMENT LEAVE

1. A full time employee shall have the right upon request and application to three (3) days bereavement leave. In cases where out of state travel is required, two (2) additional days shall be authorized. In the event of death of a spouse, parent, stepparent, child, or stepchild, the employee shall have the right to five (5) days bereavement leave. Said leave shall be at full pay and shall not be chargeable to Sick Leave.

2. Bereavement leave (other than that granted for the death of a spouse, parent or child) shall be authorized in the event of the death of the following persons: grandmother, grandfather, grandchild, aunt or uncle of the employee or of the spouse of the employee, son-in law, daughter-in-law, sister, sister-in-law, brother, brother-in-law, or any relative or resident living in the employee's household.

Employees called for jury duty must notify the District of service date(s) upon receiving said notice from officers of the court.
2. It is understood and agreed that an employee shall be required to report to work on any and all full days when on stand-by or excused when sitting as a juror. Any employee found abusing this section shall not be entitled to regular pay for the day(s) of abuse and will be subject to disciplinary action.

I. PERSONAL NECESSITY LEAVE

1. A maximum of six (6) days of sick leave, earned pursuant to Section A of this Article, may be used by the worker at his/her election in cases of personal necessity. Personal necessity leave shall be limited to circumstances that are serious in nature and that the unit member cannot reasonably be expected to disregard and which cannot be taken care of after work hours or on weekends.

2. The unit members shall not be required to secure advance permission for a personal necessity leave taken for any of the following reasons: (1) death or serious illness of a member of his/her immediate family as defined under Bereavement Leave. - c. Appearance in any court or before any administrative tribunal as a litigant, provided that personal necessity leave shall not be granted when the District is a party or when the appearance is brought about by the unit member's own alleged misconduct.
- d. Circumstances not listed above which conform to the provisions of this leave.

3. One (1) day of personal necessity leave may be utilized for “personal business,” provided such day is not taken the work day preceding or succeeding any paid holiday provided by this agreement. The employee must seek prior approval for personal business leave; however, the employee shall not be required to give reasons.

4. Workers are required to notify the District of intent to utilize personal necessity leave prior to the beginning of the work shift in which the absence is requested. The District may waive this requirement in cases of extreme emergency.

5. Upon return from personal necessity leave, workers shall be required to complete absence verification form(s) provided by the District and to submit verification as may be required.

J. SPECIAL LEAVE

Leaves of absence other than those specified in this agreement may be granted to the worker at any time with terms that are mutually acceptable to the board of trustees and the union.

An employee has the right to take such leave for up to a total of twelve (12) weeks. (This leave may be taken intermittently). This leave includes the days of paid personal necessity leave pursuant to Article VII, I. 5. The employee shall provide reasonable advance notice to the District of the need for family care leave, the date the leave will commence, and the estimated duration of the leave. If the need for a leave becomes known more than thirty (30) days prior to the date a leave is to begin, the employee must provide at least thirty (30) days written advance notice.

6. If verification is required by the District to verify the serious illness of the child, spouse, or parent, the District may accept medical verification by the treating health professional.

7. Family care is an unpaid leave of absence. The District contribution toward health benefits (medical and dental) shall be maintained for the duration of the leave not to exceed twelve (12) work weeks in one (1) fiscal year. 8. The District shall require employees to use accrued vacation during family care leave. When accrued vacation is exhausted, the balance of the leave is unpaid.

9. Entitlement to family care and medical leave for the purpose of the unit member's own illness (except for pregnancy disability) shall be satisfied by and run concurrently with leave taken pursuant to Article VII. An employee may take up to four (4) months pregnancy disability leave and then take an additional twelve (12) weeks of family care leave for the purpose of caring for the new baby; however, the District is not obligated to continue its contribution toward health benefits for more than twelve (12) work weeks.

The grievance shall be in writing and shall include the following: (a) A statement of how the grievant was affected; (b) A statement citing the specific section(s) of the agreement alleged to have been violated; and (c) The specific remedy sought by the grievant to resolve the grievance.

- f. Either party may request an individual to make a written record of the entire arbitration hearing. The cost of the services and expense of such individual shall be paid by the requesting party or shared by the parties if they mutually agree.

Step 5.

Upon consideration of the arbitrator's advice, the board shall take action on the grievance and shall render its final decision by no later than the next regularly scheduled board meeting provided the arbitrator's ruling is received in time to be on the board agenda and provided that copies of the arbitrator's decision have been given to the board members in sufficient time to permit the board members to review the decision.
