BOND AUDIT REPORT

To the Board of Trustees of
Jefferson Union High School District
Daly City, California

We were engaged by the Jefferson Union High School District ("District") to conduct an independent performance audit of the District's Measure N – 2006 General Obligation Bonds, in accordance with the requirements of Article VIII A, Section 1(b)(3), of the California State Constitution and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Education Code Sections 15264 and following). We examined the District's compliance with the requirements of Measure N as they apply to the bond project expenditures for the year ending June 30, 2013. Management is responsible for the District's compliance with those requirements. Our responsibility is to express an opinion on the District's compliance with such requirements thereof based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the District's compliance with those requirements and performing such other procedures, as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the District's compliance with specified requirements.

In our opinion, based on our examination, the Jefferson Union High School District complied, in all material respects, with the aforementioned requirements for the year ended June 30, 2013.

This report is intended solely for the information and use of the Jefferson Union High School District, Board of Trustees, Independent Citizens' Oversight Committee, is not intended to be, and should not be used by anyone other than those specified parties.

Bond Audit

JEFFERSON UNION HIGH SCHOOL DISTRICT
Measure N General Obligation Bond Audit
Year Ended June 30, 2013

I. BACKGROUND

A. Legislative History

On November 2006 at least 55% of California voters approved Measure N which authorized the Jefferson Union High School District (the "District") to issue and sell bonds of up to \$136.9 million in aggregated principal and interest rates below the legal limit and to provide financing for the specific school facilities projects listed in the bond project list, subject to all the accountability requirements specified below.

Expenditures to address specific facilities needs of the District will be in compliance with the requirements of Article XIII A, Section 1(b)(3), of the State Constitution and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Education Code Sections 15264 and following).

As required by Article XIII A of the California Constitution, the Board of Trustees of the District has certified that it has evaluated safety, class size reduction and information technology needs in developing the list of school facilities projects.

The School Board shall establish an Independent Citizens' Oversight Committee to ensure bond proceeds are expended only on the specified school facilities projects. Annual, independent performance and financial audits are to be performed to ensure compliance to the accountability requirements of Measure N.

B. Bonds Issued and Expended

The District issued the 2006 General Obligation Bonds: Series A for \$50,000,000 in April 2007; Series B for \$17,998,936.60 in July 2009; Series C for \$12,000,000 in April 2010; and Series D for \$14,999,736.85 in January 2011. For the year ending June 30, 2013, the project expenditures amounted to \$1,208,799.

II. BOND AUDIT

A. Methodology

We performed the agreed upon procedures as required by Measure N on the bond expenditures for the fiscal year ending June 30, 2013.

B. Expenditures Audited

We tested 14 project expenditures incurred during the fiscal year. This sample selection represents 48% of the total project expenditures for the year.

D. Conclusion

Based upon the audit procedures performed, we found that for items tested, the District has met the accountability requirements of Measure N and no exceptions have been identified.

Appendix – Measure N

BALLOT MEASURE FULL TEXT OF MEASURE

To construct, acquire, renovate and upgrade classrooms and school facilities including science and computer labs, libraries, and other educational facilities throughout the District; increase access to computers and modern technology; and improve student safety and handicap accessibility; shall the Jefferson Union High School District be authorized to issue \$136,900,000 of bonds within legal interest rates, with annual audits and an independent citizens' oversight committee, with all funds spent locally and no bond money for administrative salaries?

BOND AUTHORIZATION

By approval of this proposition by at least 55 percent of the registered voters voting on the proposition, the District will be authorized to issue and sell bonds of up to \$136.9 million in aggregated principal at interest rates below the legal limit and to provide financing for the specific school facilities projects listed in the Bond Project List described below, subject to all the accountability requirements specified below.

ACCOUNTABILITY REQUIREMENTS

The provisions in this section are specifically included in this proposition in order that the voters and taxpayers in the District may be assured that their money will be spent wisely. Expenditures to address specific facilities needs of the District will be in compliance with the requirements of Article XIII A, Section 1(b)(3), of the State Constitution and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Education Code Sections 15264 and following.)

Evaluation of Needs. The School Board has identified detailed facilities needs of the District and has determined which projects to finance from a local bond at this time. The School Board hereby certifies that it has evaluated safety, class size reduction, enrollment growth, and information technology needs in developing the Bond Project List shown below.

Independent Citizens' Oversight Committee. The School Board shall establish an Independent Citizens' Oversight Committee under Education Code Section 15278 and following to ensure bond proceeds are expended only on the school facilities projects listed below. The committee will be established within 60 days of the date when the results of the election appear in the minutes of the School Board.

Performance Audits. The School Board shall conduct an annual, independent performance audit to ensure that the bond proceeds have been expended only on the school facilities projects listed below.

Financial Audits. The School Board shall conduct an annual, independent financial audit of the bond proceeds until all of those proceeds have been spent for the school facilities projects listed below.

Special Bond Proceeds Account; Annual Report to Board. Upon approval of this proposition and the sale of any bonds approved, the Board shall take actions necessary to establish a Building Fund to be held by the San Mateo County Tax Collector/ Treasurer, as required by the California Education

Code, in which proceeds of the sale of bonds will be deposited. As long as any proceeds of the bonds remain unexpended, the Superintendent of the District shall cause a report to be filed with the Board no later than January 1 of each year stating (1) the amount of bond proceeds received and expended in that year, and (2) the status of any project funded or to be funded from bond proceeds. The report may relate to the calendar year, fiscal year, or other appropriate annual period as the Superintendent shall determine and may be incorporated in the annual budget, audit, or another appropriate routine report to the Board.

FURTHER SPECIFICATIONS

No Administrator Salaries. Proceeds from the sale of bonds authorized by this proposition shall be used only for the construction, reconstruction and/or rehabilitation of school facilities including the furnishing and equipping of school facilities or acquisition or lease of real property for school facilities and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

BOND PROJECT LIST

The Bond Project List shown below is a part of the ballot proposition and must be reproduced in any official document required to contain the full statement of the bond proposition.

Evaluation of Needs. As required by Article XIII A of the California Constitution, the Board of Trustees of the District has certified that it has evaluated safety, class size reduction and information technology needs in developing the list of school facilities projects shown below.

Projects Subject to Available Funding. The following list of projects is subject to the availability of adequate funding to the District.

Scope of Projects. Bond proceeds will be expended to modernize, replace, renovate, construct, equip, furnish and otherwise improve District facilities as described below. The specific school facilities projects which are described below include all related and incidental costs, including costs of design, engineering, architect and other professional services, site preparation, utilities, landscaping and other incidental costs, and construction management. Bond proceeds may also be expended to acquire and install furniture, fixtures and equipment at any classrooms and other facilities of the District. The District may alter the scope and nature of any of the specific projects, which are described below as required by conditions that arise during the course of design and construction, including unforeseen conditions such as dry rot, mold and faulty engineering.
