Dear Parent/Guardian,

Welcome to the 2013-2014 school year. **This year you will be able to fill out and submit your application on-line.** The online application is secure and will expedite the approval process. It is available online at [www.juhsd.net](http://www.juhsd.net).

If you are not applying online, we suggest you return the included application before registration, in order to process your student's application before school starts. Please write down ALL children and ALL adults living in the household. You only need to fill out one (1) application per household for students attending our school district. Foster children and their income can go on the same application. Please note, if the application is returned incomplete or incorrect, it will be returned to you to be corrected. Or you will have to submit a new application. You only need to fill in the last four (4) numbers of your SS#. If you do not have an SS#, please write "NONE" in the boxes.

Return your completed form by mail or in person to:

In order to speed up our lunch lines we encourage using the Pre-Pay System, "My SchoolBucks," online at [www.juhsd.net](http://www.juhsd.net).

- Only Credit Cards and Personal Checks will be accepted in the prepay system program, if you are accessing on-line.
- We do not make change for \$20.00 dollar bills; the entire \$20 will be added to the Pre-Pay system and your child may access the remaining amount for food purchases until the funds are all used up. NO EXCEPTIONS!
- We can note on any student account that the funds can be used for only Lunch or Breakfast, and not any other items, if you so desire.
- To access My SchoolBucks.com, go to the district web site: [www.juhsd.net](http://www.juhsd.net) and scroll down to the Nutritional Services link. Refer to the detailed instructions, which are provided online. Lunch and Breakfast applications are also online. Just click on the schools name in nutrition services.

Sincerely,  
Food Service Director
